

# I HAVE APHASIA

**IASLT** | The Irish Association of  
Speech + Language Therapists

This is an acquired **language** difficulty.

This means I might need more **time** and **support** to:

**Understand** what you are saying

I may have trouble **getting words out**

I may have trouble **reading / writing**

**I am intelligent** - this is a problem with **language**,  
related to a medical condition

My **name** is: \_\_\_\_\_

**Emergency contact** number and name:  
\_\_\_\_\_
