1. Introduction

The Irish Association of Speech & Language Therapists (IASLT) is the professional body representing speech and language therapists in the Republic of Ireland. We are the voice for the profession and have an ever-growing membership. The IASLT Biennial Conference is a fantastic opportunity for its members to network and meet key stakeholders. Members include clinicians at all career levels, and from a range of sectors, including; adult and paediatric health services, educational settings, voluntary bodies, and private practice.

IASLT would like to invite your company/organisation to sponsor the Biennial Conference on the 5th and 6th December 2023. This year, the conference will be hosted by Ex-Ordo, an online event hosting platform. The Biennial Conference is a key calendar event for the IASLT and the profession of speech and language therapy in Ireland.

In order to ensure that our sponsors have the best opportunity to showcase their business we are limiting opportunities to **three sponsors only!**

Applications for sponsorship are open, and can be accessed via this [link](#). The IASLT Conference Committee will review applications and notify successful sponsors.
